Founded in 2014 in Ghana, Alpha Industries manufactures cocoa-based food products; and is part of a group of companies that has large experience in agro-food in West-Africa: from biscuits manufacturing to waffles, candies, toffies, tomato paste, peanut, powder milk, and pasta.

Ghana has the best cocoa in the world and her neighbour, Ivory Coast has the biggest production of cocoa in the world and this inspired the decision to set up a factory in Ghana.
